Sleep in comfort and style during graduation weekend and support a year of afterschool programs for Providence's middle school youth.

Need lodging in walking distance to Brown University for graduation weekend, away from the over-booked downtown hotels? Generous supporters of the Providence After School Alliance (PASA), a Providence-based nonprofit that works to improve afterschool opportunities for the city's youth, have agreed to donate their beautiful homes on Providence's historic East Side for use during graduation weekend. For a donation to PASA, renters can stay in walking distance to Brown, in fully furnished homes. The typical stay cost (rates on back) will help to support a full year of programs for one or two middle school youth in Providence (the average cost per child is \$900/year).
